Recycle lids and caps

Crystal Meads is heading up a partnership with our Kids & Teens to collect caps from your recycling that they will have made into a bench!

Please start collecting: #2, 4, 5 caps & lids from your house, friends or even sporting events to help gather quicker (Crystal is seeing ball games in our future and all those water bottles). There are copies of needed caps and lids listed on yellow paper on the table at the entrances.

ABC PARTNERSHIP

ABC was designed for school children by a team of 6 eighth graders in March 2010, as their entry in a nation-wide academic competition in community problem solving. Let's help the kids with the bench.
