Mission Trip 2019

We are working hard this month to get organized and ready for our Mission Trip, June 19th through the 23rd, to God's Country Cooperative Parish. We have 17 adults and 4 children going on the trip with us and everyone is excited about this opportunity. We are asking for your prayers and thoughts during the time we are in Newberry. May our work be fruitful, helpful and spiritually witnessing!

Following is an article about needed items for GCCP. Please read that article and if you can donate, thank you so much for your kindness to this vital mission work.

We all look forward to sharing our experiences with you at some point this summer. We always have some amusing pictures that speak about the fun and camaraderie we have during this trip.

Membership Care and Outreach Committee

Requested Items

Randy Hildebrandt, Global Missionary at God's Country Cooperative Parish, has made a request of items that could be donated to the Clothes Closet at GCCP. Below is a list of items he mentioned they would really appreciate receiving:

1. Children's Clothing (all sizes and for all seasons) used clothing in good shape; not necessarily new.
2. Linens (blankets, sheet sets, bedspreads, pillows, tablecloths etc) again, used is fine.
3. Individually wrapped snacks for the summer swim program.

We will have a large box for donations in the fellowship hall. However we do ask that you NOT place the snack donations in with the clothing. If you have a large amount to donate, please contact Karen Benton (248/931-4114) to make arrangements. We will be accepting donations through Sunday, June 16th. Thank you in advance for your generosity in donating to this very important mission in the Upper Peninsula! MCO

United Methodists Responding to Disaster

NOISY OFFERING:

Today, May 19, we will collect a noisy offering to donate funds for UMCOR. Your MCO committee has carefully and thoughtfully selected this/these programs to support our ENGAGE MI (formerly Spotlight Church) mission giving.

The United Methodist Committee on Relief (UMCOR) responds quickly to meet emergency needs around the world. UMCOR is one of the first responders on the ground to offer immediate assistance in disaster areas.

UMCOR is currently engaged in relief efforts in Texas (Hurricane Harvey), in Syria (civil war), Sierra Leone (mudslides), flooding in the United States and many other places around the world.

Thank you for supporting UMC missions.

Church Council Motion

At the May meeting, Church Council members passed a motion to prohibit the use of styrofoam (polystyrene) products at NLUMC.

Please be aware of this if you are planning an event or function at the church. As with any change, there may be some mistakes and problems, so your patience, ideas, and support are appreciated.

It is worth commenting that the motion was initiated by an individual, Rick Gorham, whose hope is that this will be the first of many more earth-friendly steps toward protecting God's great gift to us. As always, Church Council welcomes your input (e.g., ideas, concerns, questions). Rick's motion has started a discussion about other earth-friendly options. For example, you may have noticed when Rick and Carol hosted fellowship and they opted for mugs for coffee instead of disposable cups.
