Bell Choir News

With the unpredictable weather in January and February, it has been very hard for those who do not live close to the church to attend. Therefore, I would like to start bell practice back up on Sunday, March 1, 2020. Hopefully, mother nature will cooperate and bring us an early Spring. New ringers are always welcomed.

2020 Christian Covenant Endowment Grants

The Christian Covenant Endowment Committee (CCEC) invites individuals and committees to submit 2020 grant applications. Grant money is now available to fund new ministries and projects that support the mission of NLUMC. A few examples of projects that were started/supported from past grants include:

- Prayer shawl ministry
- Eagle Scout projects
- Church music lending library
- Remodeling project for the youth room
- Aging in Place program

2019 mission trip to God's Country Cooperative Parish

If applicants need assistance or have questions (e.g., what kind of ministries can/cannot be funded, help writing a grant), they can contact any CCEC member.

A grant application should be turned in to the Church office so it can be forwarded to the CCEC.

Application forms are available at the Church Office, the bulletin board by the nursery, and online. If you prefer, you can opt to meet with the CCEC members to present your application. If so, please contact Carol Gorham at 734-904-5312. The CCEC is usually able to

notify the project leader of grant action within 30 days of the receipt or presentation of the application.

Grant applications must be submitted or presented prior to August 31, 2020. Since grant funds are limited, it is advised that applications be submitted as soon as possible.

Please be aware that approved 2020 grant activities must be completed and grant monies spent by December 31, 2020. The project leader of a approved grant will be responsible for submitting a brief, final report, including an account of expenditures.

UNDIE SUNDAY

During February, the MCO Committee will be collecting **new** underpants, t-shirts, and socks for children, men and women. This new underwear will then be taken to the Stockbridge Community Outreach to distribute to their clients.

Please place your donations into the basket marked "Undie Sunday" in the fellowship hall. This is an opportunity to reach out into the community and make our generosity an example of God's love.

Healthy Spirit: A Health Resource provided by your Faith Community Nurse Liaison

A February is American Heart Month

Heart disease is the leading cause of death for both men and women in the United States.

Follow these Heart Healthy Lifestyle Tips with your friends, family, coworkers, and others in your community to reduce your risk of heart disease:

- Be more physically active (150 minutes of activity per week).
- Maintain a healthy weight.
- Eat a nutritious diet (reduce sodium and increase fruits, vegetables and whole grains).
- Quit smoking (1-800-QUIT-NOW)
- Reduce your stress.
- Get enough quality sleep (7–8 hours a night helps to improve heart health)
- Track your heart health stats (Ask your doctor about your blood pressure, cholesterol and A1C).

Michigan Annual Conference

Members of the 2019 Annual Conference voted on legislation last June. The same members have been called to Albion's Goodrich Chapel on March 7, 2020 to consider Protocol legislation.

A special session of the Michigan Annual Conference is being called on March 7, 2020, by Bishop David Bard, to consider forwarding Protocol legislation on to the 2020 General Conference.

February 5, 2020 | LANSING MI — Bishop David Bard today issued a call for a special session of the Michigan Annual Conference to consider sending Protocol legislation to General Conference. The special session will be held on Saturday, March 7, 2020, 1:30 pm – 4:30 pm at Goodrich Chapel on the campus of Albion College in Albion, Michigan. Albion College is a United Methodist-affiliated institution.

On January 3, 2020, a diverse, 16-member group of United Methodist bishops and other leaders offered a proposal that would preserve The United Methodist Church while allowing traditionalist-minded congregations to form a new denomination. The separating group would receive \$25 million in United Methodist funds and would keep its local church properties. The proposal has since been developed into legislation that on March 7th The Michigan Conference will consider sending to the 2020 General Conference.

Under the rules of The Michigan Conference, general conference legislation is not amendable, so Annual Conference members at the special session will vote to send, or not to send, the legislation brought before them, as is, for action at the 2020 General Conference. It will be Michigan's eight delegates to GC2020 who will be among those voting on the substance of the protocol and other legislation that comes before the body in Minneapolis, May 5-15.
