Bell Choir News

With the unpredictable weather in January and February, it has been very hard for those who do not live close to the church to attend. Therefore, I would like to start bell practice back up on Sunday, March 1, 2020. Hopefully, mother nature will cooperate and bring us an early Spring. New ringers are always needed.

2020 Christian Covenant Endowment Grants

The Christian Covenant Endowment Committee (CCEC) invites individuals and committees to submit 2020 grant applications. Grant money is now available to fund new ministries and projects that support the mission of NLUMC. A few examples of projects that were started/supported from past grants include:

Prayer shawl ministry
Eagle Scout projects
Church music lending library
Remodeling project for the youth room
Aging in Place program

2019 mission trip to God's Country Cooperative Parish

If applicants need assistance or have questions (e.g., what kind of ministries can/cannot be funded, help writing a grant), they can contact any CCEC member.

A grant application should be turned in to the Church office so it can be forwarded to the CCEC. Application forms are available at the Church Office, the bulletin board by the nursery, and online. If you prefer, you can opt to meet with the CCEC members to present your application. If so, please contact Carol Gorham at 734-904-5312. The

CCEC is usually able to notify the project leader of grant action within 30 days of the receipt or presentation of the application.

Grant applications must be submitted or presented prior to August 31, 2020. Since grant funds are limited, it is advised that applications be submitted as soon as possible.

Please be aware that approved 2020 grant activities must be completed and grant monies spent by December 31, 2020. The project leader of an approved grant will be responsible for submitting a brief, final report, including an accounting of expenditures.

Healthy Spirit: A Health Resource provided by your Faith Community Nurse Liaison

A February is American Heart Month

Heart disease is the leading cause of death for both men and women in the United States.

Follow these [Heart Healthy Lifestyle Tips](#) with your friends, family, coworkers, and others in your community to reduce your risk of heart disease:

- Be more physically active (150 minutes of activity per week).
- Maintain a healthy weight.
- Eat a nutritious diet (reduce sodium and increase fruits, vegetables and whole grains).
- Quit smoking (1-800-QUIT-NOW)
- Reduce your stress.
- Get enough quality sleep (7–8 hours a night helps to improve heart health)
- Track your heart health stats (Ask your doctor about your blood pressure, cholesterol and A1C).
